

## STEPS to access the New Jersey UST Service Technician – NT exam

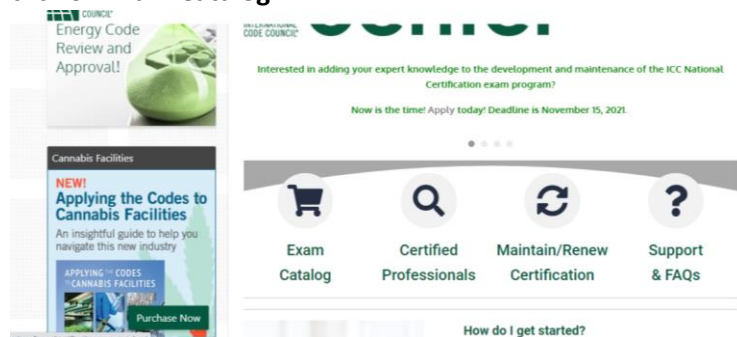

1. Go to the [www.iccsafe.org](http://www.iccsafe.org) website.
2. At the top of the screen, click on the **Professional Development** tab:

3. Select “**Assessment**” from the drop-down menu.

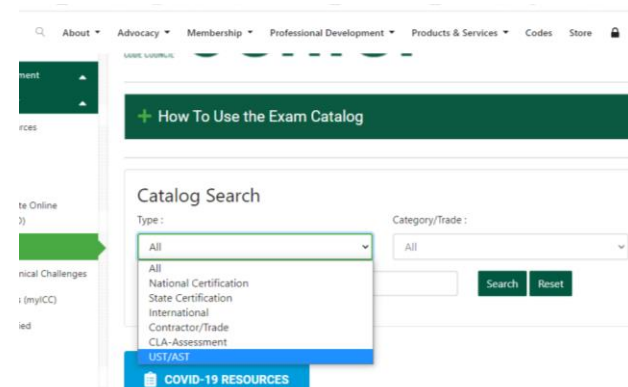

4. It brings you to a new screen/view: **Assessment Center**. Scroll down until you see another menu, and then click on **Exam Catalog**.

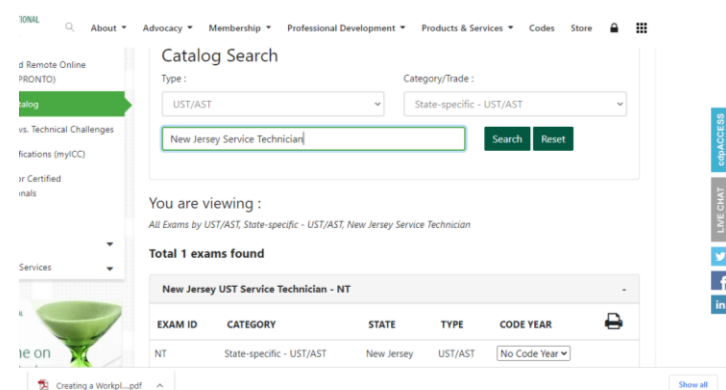

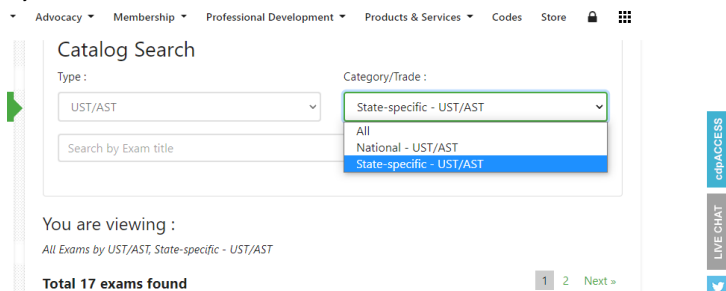

5. You will be directed to the Catalog Search view:

6. Click on the drop-down menu TYPE: and select “UST/AST” (usually at the bottom).

7. You can also click on the drop-down menu under Category/Trade and select: “State specific” and enter the following keywords in the “search by exam title” column: “New Jersey UST Service Technician,” and hit SEARCH.

8. This will bring up the New Jersey UST Service Technician-NT exam.

9. Now you can scroll down to get more information on the exam. There are two sections for exam information: **INFO** and **OUTLINE**. The **INFO** section provides information regarding the scope of the exam and the list of references (usually to be purchased). The candidates can purchase the references using the links provided next to them unless available for free.

The screenshot shows a web page with two tabs: 'INFO' (selected) and 'OUTLINE'. Under the 'INFO' tab, there is a 'SCOPE' section with a note about the limited number of UST references available on the ICC Store. Below this is a 'LINK: UST Exam References and Renewal Information' and a note that references from the internet must be bound. A 'REFERENCES' section lists 'N.J. Admin Code 7:14B' and '15 EPA 40CFR Part 280.10 - 280.74'. To the right, under the 'OUTLINE' tab, a table lists 'QUESTIONS' (60), 'TIME LIMIT' (1:30 Hours), and 'OPEN BOOK?' (Open). Below this, 'AVAILABLE METHODS' is listed as 'Proctored Online Testing'. At the bottom right, the price '\$90.00' and a green 'Register' button are visible.

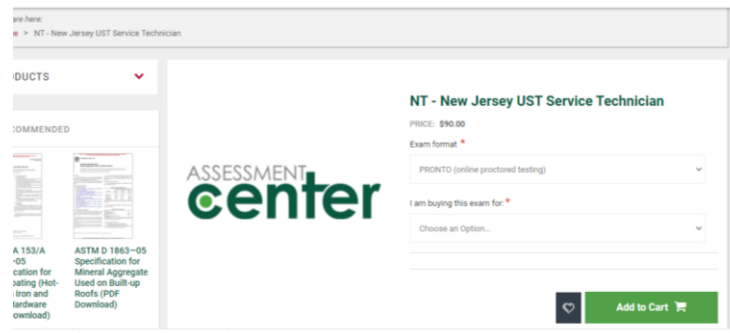

10. The **OUTLINE** section lists the content/task (domain) areas of the exam and the percentage of questions within each domain. Every question on the exam is associated with one of the knowledge or skill statements that are found in the exam outline.

The screenshot shows the 'OUTLINE' section of the exam page. It features a table with columns for 'EXAM ID', 'CATEGORY', 'STATE', 'TYPE', and 'CODE YEAR'. Below the table, there are two tabs: 'INFO' and 'OUTLINE'. The 'OUTLINE' tab is active, showing a list of domains with their respective percentages: 'Training' (4%), 'UST Systems' (30%), and 'Vapor Recovery' (5%). The 'UST Systems' section is expanded, showing 'UST System Layout and Identification' (10%) and 'Vapor Recovery' (5%). The 'UST System Layout and Identification' section is further expanded, showing the task: 'Identify the UST system layout and configuration. Identify the types, sizes, materials and contents of tanks and piping.' To the right, a table lists 'QUESTIONS' (60), 'TIME LIMIT' (1:30 Hours), and 'OPEN BOOK?' (Open). Below this, 'AVAILABLE METHODS' is listed as 'Proctored Online Testing'. At the bottom right, the price '\$90.00' and a green 'Register' button are visible.

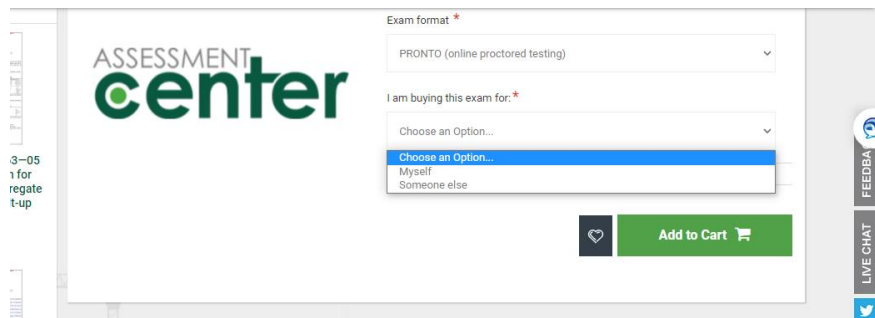

11. The candidates can proceed to buy the exam by clicking on the **“REGISTER”** tab in green listed right under the cost price of the exam.

The screenshot shows a close-up of the 'REGISTER' button. The button is green and labeled 'Register'. It is positioned below the price '\$90.00' and the 'AVAILABLE METHODS' section, which is listed as 'Proctored Online Testing'. The background shows the 'UST System Layout and Identification' section with its task description and percentage.

12. Click on REGISTER, and you will be directed to the next screen:

13. The exam format is by default: PRONTO; then select the applicable option in the second drop-down menu and **ADD To CART**:

14. The candidates will be prompted to REGISTER/SIGN IN:

15. Once they enter their information, they are signed up for the exam!!!
